leaflet PPC - 2700 and 3600

**Petrol engine pressure cleaners**  
**(3WZ/2700 and 3WZ/3600 models)**

Our range of petrol engine pressure cleaners are powered by the reliable Villiers engines.

They are ideal for building maintenance, construction clean-up, paint preparation and more.

The 3WZ-2700 is well suited for dairy cleaning, and cleaning cars, trucks, tractors and farm implements.

The 3WZ-3600 will do all the above plus very large machinery and trucks. The 3WZ-3600 comes mounted in a robust frame on four large wheels.

3WZ / 2700

**FEATURES**

Robust frame with large wheels and fold down handle for easy transport and storage

Detachable detergent bottle and basket

Choice of 5 high pressure nozzles, all quick release type

All hose connections are quick release type

3WZ / 3600
