## Diesel pumps - 4 inch (100 mm)

The Villiers range of pumps is extensive and is available in both petrol and diesel driven units.

High volume, low pressure pumps are available in 4 inch diesel driven units.

This pump in frame is fitted with a long range fuel tank and keyless ignition electric start with recoil backup.

The fire pumps are great for use in the construction, agricultural, hire and fire protection industry and anywhere there is a need to move water or other liquids quickly and efficiently.

F400DE/VPVP100
