Petrol engine pressure cleaners (3WZ/3000 and 3WZ/3600 models)

Our range of petrol engine pressure cleaners are powered by the reliable Villiers engines.

They are ideal for building maintenance, construction clean-up, paint preparation and more.

The 3WZ-3000 is well suited for dairy cleaning, and cleaning cars, trucks, tractors and farm implements.

The 3WZ-3600 will do all the above plus very large machinery and trucks. The 3WZ-3600 comes mounted in a robust frame on four large wheels.
