2 cylinder petrol engine

Our engines have gained a strong reputation for being high quality but affordable products with great reliability and are now being used by a number of original equipment manufacturers.

Use in the agricultural, construction and hire industries and in many other applications where engines are needed to either belt drive or direct couple to drive machinery.

all Villiers engines have a 2 year warranty

FEATURES

- all Villiers engines have a cast iron sleeve in the bore and heavy duty roller bearings on both ends of the crankshaft
- the Villiers engines also feature easy starting with automatic decompression and are extremely quiet running
